## ALMA MATER

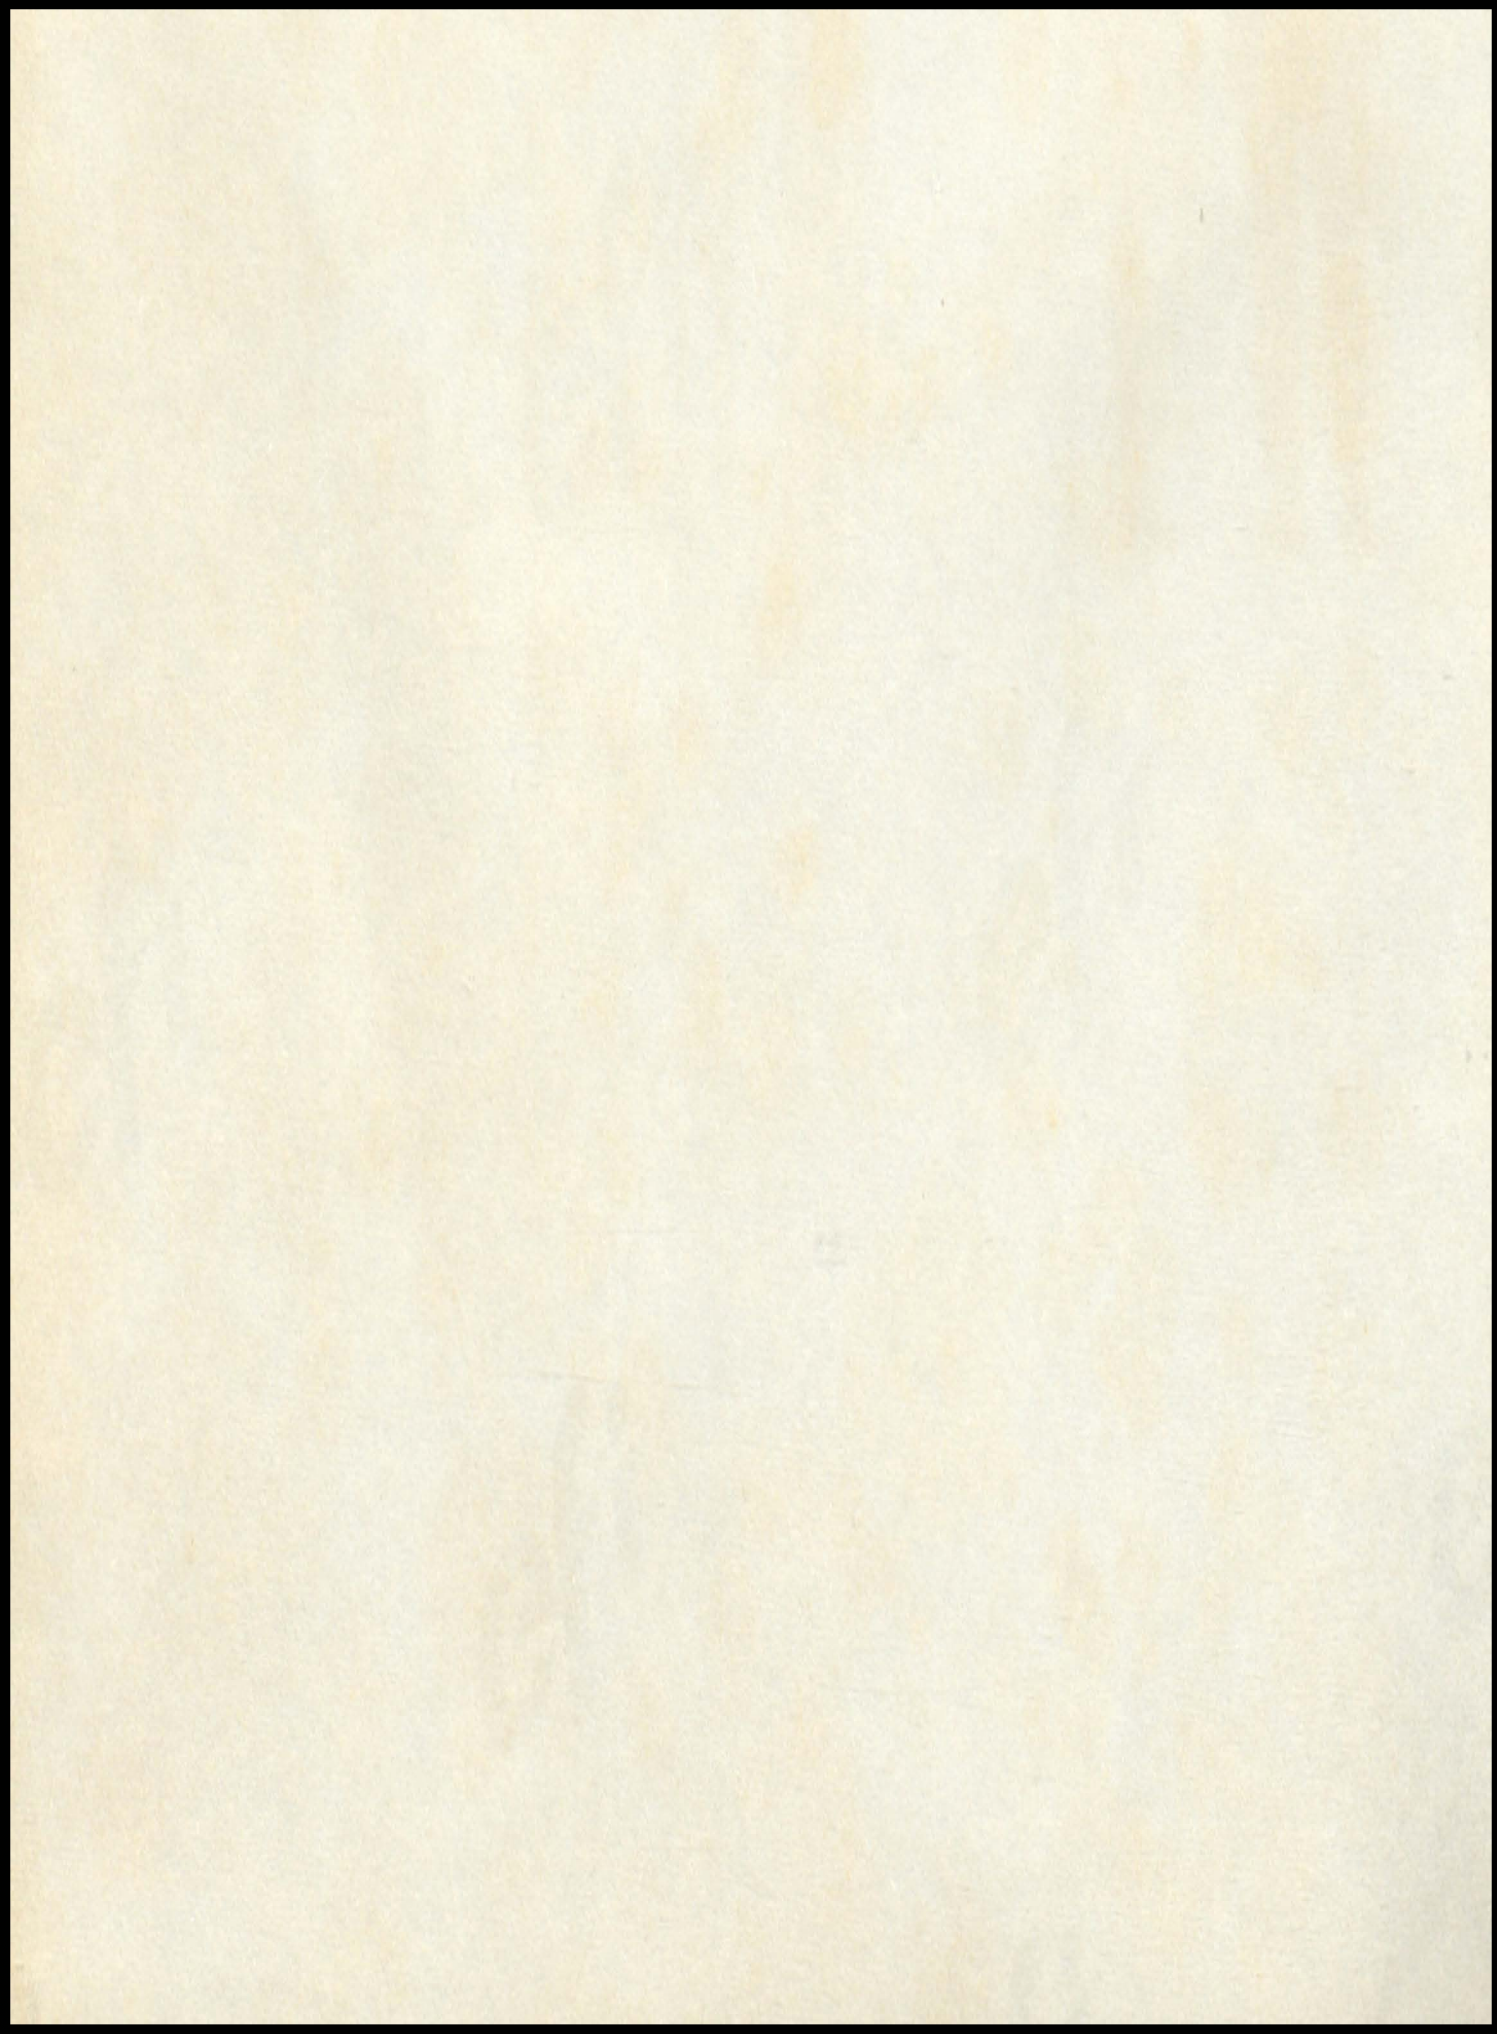

Dreaming of Alma Mater,  
Down on the Eastern Shore,  
Dreaming of pals and friendships,  
Memories forevermore.  
Deep in my heart there's a longing,  
Just for the sight of you;  
I know you're always waiting,  
I know you're always true.  
Alma Mater, Alma Mater, I love you,  
Paradise forever lies 'neath skies of blue.  
In the sunshine or in shadow ever new,  
Alma Mater, Alma Mater, I love you.

## DEDICATION

We the Class of 1964 offer this dedication to these faculty members who are alumni of Wicomico High School: Mr. Malvin Minton, Mr. Morris Jones, Mrs. Howard Carey, Mrs. Samuel A. Graham, Mr. W. Kenneth Smith, Mr. Anthony Sarbanes, Miss Marion Moore, Mrs. Eugene Messick, Mr. Dalton Howard, Mrs. Branche Phillips, Mrs. Richard Long, Miss Hester Farlow, and Mr. Richard Thurston who is not in the picture. Realizing that 1965 will mark a transition in the school community, we wish to honor those who have returned to their alma mater as teachers. We feel confident that they provide a solid bridge today between yesterday's tradition and tomorrow's change. For the many hours which they have voluntarily and unselfishly given outside of the classroom, we owe them an especial debt of gratitude.

# CLASS HISTORY

Well-armed with lunches and temporarily immaculate notebooks, we tackled our first day at Wi-Hi in September of 1961. Some of the bravest from our number immediately signed up for the few organizations open to sophomores and zealously participated in the athletic program. One of our first privileges as members of the student body was to elect an attendant to the Winter Carnival Court. We chose Sue Oursler, who previously served us as Homecoming Attendant, to be our representative. With the arrival of spring, we pledged clubs and listened conscientiously to Student Council campaign patter. On May Day -- the last major event of the spring -- Carolyn Farlow, Janice Beahm, and Linda Bradford graced the May Court.

Welcoming a new status as Juniors, we felt a greater degree of self-confidence than we had felt the previous September. Now we watched proudly as Janice Beahm, 2nd Vice-President, and Diane Baldwin, Secretary-Treasurer, assisted in the direction of the Student Council. Working for us as class officers were John Long, President; Sue Oursler, Vice-President; Kathy Moore, Secretary; and Nancy Rosencrance, Treasurer. Selected as Junior Homecoming Attendant was Diane Baldwin. Carolyn Farlow became our representative to the Winter Carnival. Early in February, Joe Thornton departed for Argentina under the auspices of the exchange student program. During March, the National Honor Society inducted thirty-two Juniors. The weeks passed, and bleary-eyed Juniors who had labored until the wee hours for several nights capably presented SKIN OF OUR TEETH. May Day arrived and we cast our ballots for Beverly Perdue, Liz Rickert, and Debbie Stephens. With our new class rings on our fingers and stars in our eyes, we attended the Junior-Senior banquet which concluded the social calendar of the year.

"We're Seniors!" was the jubilant greeting of the day when we congregated in the breezeways for the final September. All of us hoped to store a quantity of memories as we eagerly anticipated the year's events. Under the leadership of President John Long and 1st Vice-President Sue Oursler, Student Council commenced its operations. After a tally of votes for class officers, it was announced that Joe Thornton, our former ambassador to Argentina, would serve as President, Janice Beahm as Vice-President, Elizabeth Rickert as Secretary, Barbara Franey as Treasurer, and Sharon Burns as Historian. The editors of school publications -- Sharon Burns (TOM TOM), Susan Jones (INDIAN CHANT), Cindy Long (WI-HI NEWS) -- attacked their jobs in preparation for distant deadlines. Two exchange students, Ros Henry of New Zealand and Reinhard Heberling of Germany, brightened our classes and lightened our hearts. Selection of Kathy Moore as a glowing Homecoming Queen, attended by Sue Oursler and Liz Rickert, climaxed the football season. The smash hit of the year's dramatic endeavors was the Seniors' production of SOUTH PACIFIC. Wi-Hi's delegation to the Herald-Tribune Forum in New York City was composed of Elsie McKittrick, Sherry Baker, Don Heath, and Max Kerpelman. Maureen Richardson reigned over Winter Carnival festivities. By late April we had begun the countdown of days to graduation. When the time came to choose our May Queen, the class looked Gayle Aydelotte's way. Gayle was escorted by K. C. Caldabaugh, "Mr. Irresistible of 1964." Jeanne Van Sant and Barbara Hall were elected May Court attendants with Debbie Stephens as Senior Duchess. The class trip to New York presented some situations that we had not bargained for, although everyone agreed that it was a memorable experience. As the Semester rushed to an end, Prom night passed in a mystical setting of "Shangri-La"; Juniors graciously entertained Seniors at the annual banquet; and Senior awards were presented. The long-awaited Sermon to the Graduates and Commencement suddenly came all too soon. Now with a renewed sense of responsibility, we thanked Wi-Hi for its three years of memories and set out to find our places in the world.

# POST GRADUATES

Left to Right: Paul Beauchamp, Craig Beauchamp, John Cook, and John Phillips. Absent: Martin Dwyer, and William Vollmer.

For several years graduates at Wi Hi have been permitted in certain cases to return for another year of schooling. During this year these students follow a program of regular study geared to fit their individual wants. Each chooses courses that he feels he needs for the ultimate fulfillment of his goals. There is no set "post-graduate" course; it rather consists of those subjects previously offered that a student had no opportunity or did not choose to take. It is hoped that this additional year of schooling will give the student additional preparation for higher education or for life in general.

## EXCHANGE STUDENTS

In adherence with the tradition set up by eight previous years, Wi Hi was again honored to receive two foreign exchange students. These students were Rosamond Henry from New Zealand and Reinhard Heberling from West Germany. Ros lived with the Dana Woodman family; Reinhard, with the Albert Morris family.

They were brought to Salisbury under the auspices of the American Field Service in conjunction with the local Soroptomist Chapter. In addition, we students helped bring them here with our contributions to the A.F.S. campaign.

During the school year both Ros and Reinhard participated in many activities. The members of the student body delighted in these contacts with them. Also they spoke to local organizations and schools all over the Delmarva Peninsula.

Perhaps they are best able to express their feelings: "We are grateful to all the students of Wi Hi for their friendship and understanding and for the experiences of this wonderful year. We hope that in some way, our stay here this year has helped to bring our countries closer together."

Like every exchange student, Ros seizes every opportunity to take pictures.

Reinhard discusses American customs with one of his new brothers, Bob Morris.

## NATIONAL MERIT COMMENDATIONS

Every spring the National Merit Scholarship Qualifying Test (NMSQT) is given to high school seniors throughout the country. This year eleven seniors from Wicomico Senior High School received letters of commendation. In addition, one student, Max Kerpelman, ranked as a semi-finalist. The others receiving recognition are: Donald Atkinson, Julia Brittingham, Sharon Burns, Karl Caldabaugh, Raymond Dudderar, Bruce Hart, Donald Heath, Thomas Kilmon, John King, Lucinda Long, and Mary Kay Noren. These letters, signed by Mr. Corddry and the president of the National Merit Scholarship Corporation, signify high academic achievement and promise. They were presented to the students at the annual Spring Awards Assembly. As a whole, the semi-finalists and commended seniors make up about two per cent of all high school seniors. The fact that so many received recognition this year is a credit not only to those students, but to the school as well.

## HIGH SCHOOL CHALLENGE

FIRST ROW: L. to R. Sharon Burns, Barbara Franey, Adrienne Volenik, Cindy Long. SECOND ROW: Tom Kilmon, Max Kerpelman, John King, Bruce Hart.

The members of the nineteen-hundred and sixty-four Wicomico Senior High School Challenge Team were, of necessity, good sports. Also, do not forget that the alternate team retired undefeated although unvictorious.

Undoubtedly, Wi-Hi's pride hit a new low after the disastrous match with Stephen Decatur; but, as Robert Earle always says, "The game emphasizes quick recall of specific facts, and is not completely indicative of scholastic ability." Stephen Decatur, take heed: the Class of '66 is coming. (If these paragraphs depress you, see the picture above. The sight of all those Merit Commendation winners will cheer you.)

## HERALD-TRIBUNE FORUM

On Wednesday, March 18, four seniors accompanied by Mr. Anthony Sarbanes, left Wi-Hi to attend the 1964 Herald-Tribune World Youth Forum, as a result of winning a current events test.

They arrived in New York around 5:30 P.M., and checked into their rooms at the Taft Hotel, before having dinner and going to see "Cleopatra" at the Rivoli Theater.

After breakfast on Thursday, the group split up: the girls went to Saks Fifth Avenue and the boys and Mr. Sarbanes viewed the special exhibit at the Time-Life Building. The World Youth Forum was held at the Philharmonic Hall of the Lincoln Center for Performing Arts on Thursday afternoon.

The Forum, in which 37 foreign teen-age delegates come to the United States for three months, is a program sponsored by the NEW YORK HERALD-TRIBUNE. This year, the guest speaker was Carl T. Rowan, Director of the U.S. Information Agency.

After the Forum, Wi-Hi's representatives had dinner at the famous and delightful Mamma Leone's before returning home.

## GOLDEY BEACOM SPELLING

For a number of years, the Goldey Beacom School of Business in Wilmington, Delaware, has recognized outstanding spellers at Wi-Hi.

This year, as in the past, contestants were recommended by their English teachers to participate.

Words such as Schenectady, jettison, remunerate, and effer-vesce lowered the scores of a majority of those participating in the contest. The winners were announced as follows: Seniors -- Max Kerpelman, Sharon Burns, Chip Dudderar; Juniors -- E. J. Wainwright, Harriett Tindle, Bob Martin.

These students received certificates from the business school and also had their names inscribed in the Book of Champion Spellers.

FIRST ROW: L. to R. Chip Dudderar, Sharon Burns, Max Kerpelman. SECOND ROW: Bob Martin, Harriet Tindle, E. J. Wainwright.

## SCIENCE SEMINARS

Early in the school year, 32 outstanding science students from Wi Hi and a similar group from the other high schools in Wicomico County were chosen to take part in a group of Science Seminars. These seminars consisted of two hour lectures followed by questions and answer periods on some facet of the natural, physical, or mathematical sciences. Each lecture was given by a recognized expert. Talks given included Geology of Maryland, The Laser, Polymers, Information Theory, Ecology, and Science and Religion.

The outstanding features of the year were two trips on April 8 and May 8. The first was a wonderful trip to Peach Bottom Atomic Power Station near Delta, Pennsylvania. The plant, due for completion later this year, will be the first helium-cooled, high-temperature reactor to be put in operation. The group spent three interesting hours in the information center near the power plant, learning about the plant, the atom, and the concepts of radioactivity.

On May 8, the students in the seminar went to the National Science Fair held in the Civic Center in Baltimore, Maryland. The Fair was composed of outstanding science research projects from all over the country. Much was learned by seeing what could be accomplished with a little effort.

These seminars and trips served to familiarize potential scientists from Wicomico County with the vastness of the field in which their interests lie.

The Math Day assembly was held in conjunction with the seminars.

Dr. Snavelly addresses the Seminar at Wi Hi's library.

## STUDENT COUNCIL

An active and responsible group of representatives, a responsible student body, plus four hard-working officers deserve the credit for the long list of Wicomico Senior High's Student Council accomplishments.

Much of the work, many of the ideas, and most of the planning for projects has been done in committees. The Safety Committee organized an entire week filled with a movie, a seat belt sale, and a mock trial with a local judge presiding as two officers presented their cases against students. The A. F. S. Committee started their campaign with an assembly of exchange students from the Shore, and finished it with the crowning of "Mr. Irresistible" at the annual Twirp Dance. In the line of service outside school, Christmas baskets were filled and donations to several charities were made.

Social events were not forgotten either. Dance committees, always a primary concern of junior class council members, succeeded in producing some excellent dances this year through advance ticket sales, novel publicity, and better bands. Students also enjoyed our first Hootenanny, sure to be continued as an annual event.

## NATIONAL HONOR SOCIETY

Members prepare to begin the im-pressive induction.

The Wicomico Senior High School Chapter of the National Honor Society began the 1963-1964 year with a total membership of 32 people. The first order of business was the election of officers. This year they were Max Kerpelman, President; Bruce Hart, Vice-President; Barbara Franey, Secretary; and John King, Treasurer. Next, the members were called upon to nominate panelists for the High School Challenge Team from Wi-Hi.

At the request of the Student Council, the Honor Society inaugurated the Honor Society Tutoring Service in January. Approximately 25 students signed up for aid in nearly every solid subject offered at Wi-Hi. While it is still too early to say for sure, the H.S.T.S. seems a success.

On the evening of March 3, 1964, the Honor Society inducted 52 juniors and seniors into membership. The guest speaker was Dr. Earl T. Willis, Dean of Instruction at Salisbury State College.

## DEBATING SOCIETY

1963-1964 was the third year -- and a good one -- for the Debating Club. There were many debates within the club, each of which showed ability, research, and much thought. New ideas were often introduced on controversial topics which brought about the thinking of others, too.

The club attained its many goals as the members became better speakers, better thinkers, and better authorities on a variety of topics. The members not only became informed on interesting topics through research and debating, but also through listening to debates, participating in the discussions following the debates -- these were often as controversial as the topics -- and, best of all, by judging debates.

These accomplishments were achieved under the direction of the faculty advisor, Mr. Kenneth Smith, and the officers: Chris Christensen, President; Cindy Long, Vice-President; and Tim Heatwole, Secretary-Treasurer.

## NATIONAL THESPIAN SOCIETY

The National Thespians Society Troupe 157 is one of the newest but also most active clubs at Wi Hi. In its second year of organization the officers included: President, Mary Beth Wright; Vice-President, Adrienne Volenik; Secretary, Anne Ritchings; Treasurer, Steve Saunders; Clerk, Carole Downing; and Historian, Harvey Byrd.

Under the able direction of its sponsor, Mr. James Willard, the troupe held several initiations for new members at monthly meetings, sponsored two trips to Washington, D.C. to see plays, and handled construction for Workshop 3. The highlight of the year's activities was an original revue written, directed, and performed by Thespians.

The club has done much to stimulate greater interest in dramatic arts and to add to the cultural program of the school.

## LIBRARY CLUB

Books and books and books! Records and film strips, projectors, and screens. The card catalogue and verticle file, newspapers, magazines, displays and bulletin boards. Of course, it must be the school library. And there you will find the Library Club -- working at the circulation desk, processing new books, signing out records and film strips, cleaning the stack room, mending broken books, collecting fines, checking in magazines, straightening up the lost and found department, planning a bulletin board, alphabetising material for the files, carding and shelving books, putting up newspapers, writing announcements for the book store, and enjoying every moment of it.

The Library Club enjoys serving the school, its faculty and students. This club knows that it is a service club, and it has responsibilities and duties to fulfill. In addition to the usual services, the Library Club has undertaken a special project -- the Paperback Book Store.

Likewise, the Library Club is beneficial to its own members. Through close contact with people and participation in club activities, the members learn to assume responsibility and work together congenially. Then of course, the club offers fellowship and a chance to socialize during the working periods, at meetings, and on trips.

Aha! Twelve days overdue.

# FUTURE TEACHERS OF AMERICA

Members direct questions to Mr. Richard Sheridan, who spoke about school administration.

F.T.A.'ers observe classroom procedure at Beaver Run Elementary School.

Early in September, the Future Teachers of America lost its president when Bonnie Collins departed for Australia. Later, the club was deprived of the vice president, Margie Helmig who moved to Bel Air. However, elections were scheduled to replace these officers and the organization soon launched upon its annual projects.

Future Teachers performed, in the past year, a variety of school services, some not at all related to the teaching profession. Club members served at a number of school banquets and at the concession stand throughout the basketball season. During football season, several girls labored over pom-poms, which they made after school and then sold at the games. In addition, club members assisted teachers in marking papers and in filing.

A community project was also adopted during the 1963-1964 school year. Several girls volunteered to make hats and table decorations for the birthday parties which Deers Head Hospital sponsors for the patients.

One of the highlights of the spring was the visit to Beaver Run Elementary School. At both the fall and spring conventions of MAFTA, Wi-Hi delegates were present. For the spring elections Cindy Long was one of the two representatives from the Eastern Shore on the nominating committee.

# FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America Club is an organization for those students enrolled in the commercial courses.

This club enables its members to participate in many activities connected with business procedures such as taking field trips to various business concerns in Salisbury, selling tickets at school functions, and as a highlight of the year attending the spring convention at College Park, Maryland.

One service, which was initiated this year, was that of operating the school store.

This year's advisor was Mr. Middleton, and the officers were: Lorraine Conti, President; Sandy Hearn, Vice-President; Barbara Wharton, Secretary; Phyllis Shaw, Treasurer; Mildred Mills, Historian; and Adrienne Agnew, Reporter.

By serving in this club, members are encouraged to become the competent business leaders of tomorrow.

## SENIOR FUTURE NURSES OF AMERICA

The purpose of the Future Nurses Club is to provide opportunities for students to become acquainted with the nursing profession and its related fields. The Peninsula General Hospital School of Nursing sponsors the organization.

The year '63-'64 brought new and different ideas for the Future Nurses of Wi-Hi. Aside from scheduled club periods in which various films were shown, special group discussions were conducted after school. The club was most fortunate to travel to the Eastern Shore State Hospital in Cambridge. In Silver Spring, Maryland, Wi-Hi was represented at the state convention.

This year our activities emphasized service. At Christmas a party was given for the patients of the Wicomico Care Home. This project was so successful that it encouraged us to continue our work. During the spring, Saturday afternoon programs were presented for the patients' enjoyment.

## JUNIOR FUTURE NURSES OF AMERICA

This was the second year of existence for the Junior Future Nurses of America, at Wi-Hi. With the new constitution, and most other organizational worries out of the way, the group was able to devote this year's program to investigating the many opportunities in the field of nursing.

Movies shown during the year included such topics as the life of a student nurse and rescue breathing. Several speakers covered such fields as registered nursing, the hospital and four-year plans of study, laboratory technician work, physical therapy, and volunteer opportunities. The field trip to the Peninsula General Hospital School of Nursing gave girls a chance to see nursing practices in the local hospital. Another project which all the girls enjoyed was the Christmas party given for patients at Spring Hill Sanitarium.

Most of the planning for activities was handled by the executive committee, a new group composed of the six officers and four girls elected by the club members. The entire club extends thanks to Mrs. Ruark, the faculty advisor, and both Mrs. Fitzgerald and Miss Wingate from P. G. H. who also served as advisors.

The scheduled meeting is conducted with the assistance of registered nurses.

Officers meet to decide on the program.

Gayle Aydelotte is installed as State Treasurer.

# FUTURE HOMEMAKERS OF AMERICA

Future Homemakers of America is a national organization of girls studying homemaking in high school. The over-all goal of the organization is to help individuals improve personal, family, and community living, both now and in the future. This year, with approximately 25 members, the Wi Hi chapter has tried to further the 1964 state objective -- "Better Family Life for All." To achieve this goal, meetings have included a speaker on marriage and family life, a Christmas project for the John B. Parsons Home, and a mother-daughter banquet. The chapter officers are Gayle Aydelotte, President; Diane Baldwin, Vice President; Dinah Lawry, Secretary; JoAnne Phipps, Treasurer; Cheryl Shockley, Parliamentarian; and Kae Burkett, Historian. Much invaluable assistance is given both to officers and to members by Miss Edith Matthews, our chapter adviser. The three degrees for an F.H.A. officer are -- the Junior Homemaker Degree, the Chapter Homemaker Degree, and the State Homemaker Degree. This year our club was honored when our President, Gayle Aydelotte, was presented with the State Degree for her work in the organization.

The officers are: David Cammarota, President; Paul Cammarota, Vice-President; Ronald Fields, Secretary; William Johnson, Treasurer; Bruce Adkins, Reporter; Orville Mills, Assistant Reporter; Carol Malchow, Sentinel; and Galen Hammond, Chaplain. Mr. Carol M. Wagner is the Chapter Advisor and was made an honorary member this year.

The F.F.A. is made up of boys who are students of Vocational Agriculture and are interested in many phases of agriculture. The organization's goal is to develop agricultural leadership and good citizenship by putting into effect the F.F.A. motto: "Learning to Do, Doing to Learn, Earning to Live, Living to Serve."

A few of the aims and purposes of this organization are: to develop competent, aggressive, rural and agricultural leadership; to strengthen the confidence of farm boys and young men in themselves and their work; to create more interest in the intelligent choice of farming occupations; to participate in worthy undertakings for the improvement of agriculture; to develop character; to train for useful citizenship; to foster patriotism; to encourage improvement in scholarship; and to participate in cooperative efforts to help improve our community.

Green Hand and Chapter Farmer Degree ceremonies, Parent and Son Banquet, Officers' Training School, a trip to the Agricultural Research Center in Beltsville, Md., and growing vegetables and flowers were some of the many activities of the year.

## SPANISH CLUB

Practicing your golf swing on the piñata, Bill?

El Círculo de Español is an organization composed of students who have studied or are studying Spanish at Wi-Hi. In studying Spanish one learns a little about the customs and everyday life of Spanish speaking people. El Círculo de Español illustrates some of these customs in the programs following each meeting. This past year the club has been entertained by such programs as a Spanish Hootenanny, Spanish Password, and travelogue presented by Senora Prulletti telling of her many travels in South America and of two Spanish fiestas. Initiated this year was LA LUZ, the club's newspaper featuring articles on school and club activities, cartoons, and crossword puzzles -- all done in Spanish.

## LATIN CLUB

In its second year of existence, the Latin Club has enjoyed a most interesting and successful year.

Under the supervision of Mrs. Ruark, the S.P.Q.R. Club was organized primarily to create interest for Latin students in the life of ancient Romans.

This year's programs have consisted of a speaker on Rome and Italy -- complete with slides, Latin bingo, password (Latin style), and a Latin crossword puzzle.

The officers for the year were Janice Colona, President; Harvey Byrd, Vice President; Joan Elzey, Secretary; and Frank Dunn, Parliamentarian.

Members discuss the program for an upcoming meeting.

## FRENCH CLUB

Tiens! Le Cercle Francais! For non-French Students, this means -- ATTENTION! FRENCH CLUB! The French Club has come under quite a bit of attention this year. Energetic second and third year French students reformed the club after it had been dropped several years ago. Although meetings are conducted in English, background on France, its customs and language, is the main interest of the club.

How, one might ask, could a club with limited experience and resources have an interesting meeting every two weeks? Answer: It wasn't easy, but ingenious club members came up with some very interesting and enlightening meetings. Club members will remember fondly the French hootenanny session, bingo games, and French password. Guest speakers and research reports by club members helped students learn more about the French way of life. The third year French class presented the play, "Le Petit Chaperon Rouge" at one meeting; and the film "The Red Balloon" provided a program for another. The year was climaxed by a reception for new members.

## CONCERT CHOIR

This year the Concert Choir, under the direction of Mr. James Willard, presented many and varied programs, including several assemblies and the annual spring and winter concerts.

The Christmas Assembly was given in connection with the Drama Department, which did a reading from Dylan Thomas's "A Child's Christmas in Wales."

The highlight of the winter season was the February Concert, with both the band and choir taking part. Musical extremes were presented in this program which ranged from the novel "Counterpart of the Animals" to the serious "Gloria" by Bruckner.

In March the choir gave an impressive Easter Assembly which consisted of sections from the Brahms's Requiem. This assembly culminated the work they had been doing since September on this particular piece of music.

From the choir itself came several smaller but equally valuable and entertaining groups. Among these are the Girls' Chorus, the Bach-Analians, and the Early Morning Beethoven Society. The Bach-Analians represent the school at several different civic programs throughout the year.

The final activity of the year was the Spring Concert in May, again presented with the band.

## BAND

Besides playing for football games, the P.T.A., and school assemblies, the Wi Hi Band entered in other activities which made the 1963-1964 season one of the busiest yet. After receiving an excellent rating at the Eastern Shore Band Festival, the band went to College Park, Maryland and placed second in state competition in their class. Under the direction of Mr. William Cox, the band marched in the Homecoming, Christmas, and Flower Mart parades. The band members presented concerts at Christmas, Easter, and Thanksgiving. The band combined with the Concert Choir to perform a few selections at the Winter Concert in February and the Spring Concert in May. Highlights of the year included concert tours to Easton and Stephen Decatur High Schools.

Three band members -- Gene Messick, Tom Underwood, and Bert Morris -- auditioned and were selected to play solos in the All-Eastern Shore Band. After try-outs, Bert Morris, Anne Ritchings, and Tom Underwood represented Wi Hi in the Maryland All-State High School Band in October. There they all played first chair music.

The 1963-1964 Band Council officers were: Bert Morris, President; Tom Field, Vice-President; Richard Moreland, Secretary; and Gene Messick, Treasurer.

Susan Jones, editor-in-chief, hurries to meet the April deadline.

Help! Have you ever tried to choose 70 good articles from a stack of 150 excellent ones, type them with absolutely no errors, decorate them with appropriate art work, paste them on special paper getting more glue on yourself than on the dummy? These minor distractions ended our year of fun, parties, work, and suffering on the literary magazine.

THE INDIAN CHANT staff is composed of 17 juniors and Seniors and is ably assisted by six committees of 73 members -- all dedicated to giving students an opportunity to express themselves freely in creative writing.

Serious work started early and became very heavy as the English Department started contributing the best poems, essays, stories, and satires. The typists and artists worked furiously. The literary committees and their editors gave evaluations and recommended the best articles for publication.

THE INDIAN CHANT, initiated in 1960 by Mrs. Dick's creative writing class, emerged the following year as Wi-Hi's literary magazine, representing the entire English Department. In 1964, the Staff hopes that they have presented a good cross-section of the literary talents in Wi-Hi.

With such headlines as "Bloody Mary Rides Again," "A Boy's Fancy Turns to Baseball, Love, Even May Dance," and "Illustrious Class of '64 Visits the Empire State," the newspaper staff published eight editions of the WI-HI NEWS.

Mr. Michael Murdock, a new addition to the faculty this year, gave his assistance as the advisor.

Cindy Long, editor-in-chief, and Bonnie Hart, associate editor, headed one of the largest newspaper staffs in the history of the publication. Twenty-three energetic reporters and editors kept the student body at Wi-Hi up to date on the latest news.

Such topics as brotherhood, the place of the Student Council, and school spirit were discussed on the editorial page.

Something new was added this year -- a "Dream Valentine" contest. Students chose Debbie Stephens and John Stasiewicz as the most attractive students at Wi Hi.

## CAREER DAY

As in previous years, Career Day was held for the Sophomore class. Opening the day was a General Assembly which featured several band selections and speeches by outstanding persons in the field of education. The rest of the day was spent listening to speakers who were employed in different fields.

Each student had been given the opportunity to select two careers in which he was interested. On Career Day, the students split up into the groups which they had previously chosen. By attending these smaller groups, the students were able to ask questions and hear explanations of careers such as teaching, nursing, engineering, X-ray technology, and fashion designing.

The program, itself, helps to acquaint the students with different vocations, which the world around them offers, and the day is always filled with new experiences and fun.

## SENIOR CLASS PLAY

Mr. James Willard began another successful theatrical season with the Senior Class production of *SOUTH PACIFIC*. With tryouts beginning in the second week of September, cast and crew members worked diligently to assemble a unified musical. Once lines were learned and blocking was begun, characterizations began to emerge -- Emile de Becque, Nellie Forbush, Joe Cable, Bloody Mary, Luther Billis, Liat.

At this point, production reached a pitch. In the cafeteria the stage was set up, blocking was redone to suit this new arrangement, and the final week of practice was entered into. Many mishaps plagued production during this week from lights to sets, but through all, Mr. Willard retained order and managed to keep calm. Finally, on the 14 of November, *SOUTH PACIFIC* opened to a record crowd. Songs immortalized on Broadway by Mary Martin and Ezio Pinza resounded through the cafeteria -- songs which could be heard at any senior gathering for the rest of the year.

The play's message on discrimination was an especially timely one. It was one, however, that was skillfully woven into a story thoroughly enjoyable to all who were present. One watched as love blossomed between Emile and Nellie, Cable and Liat, and one observed the cold wall of prejudice as it grew -- prejudice "carefully taught."

Accompanist Carole Downing reviews "Cockeyed Optimist" with Sue before practice begins.

## JUNIOR CLASS PLAY

French farce was spotlighted this year as the Junior Class romped through "The Italian Straw Hat." The plot is essentially the series of trials and tribulations encountered by the main character Fadinard in chasing a hat around Paris while being chased himself by his troop of in-laws. Laughter reigned supreme as Mr. Willard led his cast through a very enjoyable performance.

## THESPIAN REVIEW

"Another P. J. W. Rank Production!" was the cry ringing throughout Wi Hi on April 23 and 24 as Thespian Troupe 157 presented an original revue "The Desperate Hour." The revue was written and directed by four desperate students -- Sue Griffin, Anne Ritchings, Adrienne Volenik, and Max Kerpelman. Immortalized forever in the annals of Wi Hi's theatrical history were gems such as the memorable Senior Class Trip, our independent Student Council, and the afternoon announcements. No subject was spared the barbs of these satirical minds.

Also given on the same bill was the Mikado. The novel aspect of this musical standard lay in the faculty playing the starring roles, while students provided the members of the chorus. Featured were Clifton Hope as Ko -- Ko, James Willard as the Mikado, William Cox as Poo-Bah, Peter Fryer as Nanki-Poo, Sue Thomas as Peep-Bo, Dorothy Bloom as Yum-Yum, and Sarah Long as Katisha. These faculty members outdid themselves in providing a smash ending to a thoroughly delightful evening. If nothing else, they proved there isn't any Hope that their innate ham will be cured.

## SENIOR CLASS TRIP

Bright and early (early, anyway) on the morning of April 17, Wi-Hi's alert, wide-awake seniors stumbled about blindly in the darkness as they waited for the seven Price's luxury cruisers which were to carry them to the golden city of Eldorado, also known as New York, New York.

The 285 happy seniors merrily crowded onto the 280 seats. What matter if a few people were crowded? It was only a four-hour trip, give or take an hour (and they did).

Soon (unfortunately not soon enough), the buses arrived in New York. Who will forget the happy memories of that day: the whirlwind tour of the U. N. rest rooms; the world's only seated walking tour of Chinatown; the crack underneath the Waldorf-Astoria; the fist-fights on the Bowery; the cab licenses; the rocky boat trips to and from the Statue of Liberty; Miss Liberty's kneecap, FROM THE INSIDE; and the flashbulbs at Radio City Music Hall?

Usually, the trip home after a long journey is an anti-climax. This case, however, was an exception. No one will ever forget (as much as he might want to) the crowded cafeteria, the lost bus, the long distance phone calls home, the three-hours on the N. J. Turnpike, and the brilliant lyrical expression made famous by the Thespian Review.

To all you Juniors and Sophomores reading this and anticipating your very own Senior Class Trip, we say "Good luck" -- you'll certainly need it!

## SHANGRI-LA

The night finally came -- the one we had been anticipating all year. As we entered by tunnel and over bridge, the inside of the Civic Center appeared. But it looked so unfamiliar! It had been transformed into a colorful Shangri-La, and awaited us to enjoy its surroundings. The wishing well, pagodas, mountains, trees, and starry sky all aided in creating the dreamy atmosphere.

The girls looked heavenly in their long gowns as they danced across the floor. And the boys in their white dinner jackets -- WOW!

At twelve o'clock, the magic hour, everyone went home -- but not for long. It was back at the Civic Center at one o'clock for the breakfast and the later festivities.

Now don't be nervous -- it's only your Senior Prom.

## JUNIOR-SENIOR BANQUET

This year, the Junior-Senior Banquet was held on May 22. The menu was roast beef much to everyone's delight -- and taste.

Since the Juniors are in charge of the annual dinner, the Junior Class President was the host. Danny Scholl presented the Senior Class with a challenge, which was ably accepted by Joe Thornton, Senior Class President. He reviewed the events of the year including our successful football season, the industrious work of our Juniors, and the memorable Senior Class Trip. The reminiscence was concluded with lines from "Crossing the Bar" by Alfred Lord Tennyson.

The highlight of the evening was the reading of the Class Will. All present seemed to enjoy themselves from their reactions to the will and their empty plates!

## SERMON TO THE GRADUATES

"Young people, you've got everything -- charm, physique, brains, personality. Now all you have to do is share these with the world." This, in essence, was the theme of the sermon given by Rev. Harold M. Davis, pastor of Trinity Methodist Church. "It is the youth here tonight who will mold the future of our country," he continued. In order to do this, however, we must use the knowledge we have gained during our school life.

## VARSITY FOOTBALL

Football at Wi-Hi provided many thrilling and anxious moments. We didn't have an overabundance of victories but the season was exciting, nevertheless.

In the opening game against Forest Park, Mike Pich intercepted a pass and raced for the score. Unfortunately, Forest Park piled up two TD's and won the game.

On October 4, Seaford's Bluejays came to Wi-Hi to do battle with our Indians. Anyone who saw this game will never forget when the fleet Joe Thornton picked off a Bluejay fumble and streaked to the goal.

On a hot Saturday afternoon, later in the season, most of Wi-Hi's "mighty" Indians journeyed to Easton to pit their strength against the Warriors from Talbot County. With time running out and the score at 6-0 in Favor of Easton, Mike Hoch teamed up with Danny Scholl for a 65-yard pass and run which almost netted an Indian TD. Unfortunately, as was the case all season, the next play resulted in an intercepted pass and we lost again.

So went the entire season and after logging a record of 2-7-1, it is amazing that Coach Squires still has some hair left.

## JUNIOR VARSITY FOOTBALL

The Junior Varsity Football team compiled a winning record of 4-2-1 this year. Coaches Thurston and Moore prepared the underclassmen well for the coming year of varsity competition.

The junior varsity system is an integral part of any school's athletic department and when your jayvees win, there is a pretty good chance that your varsity will also win.

We hope that junior varsity teams of the future will continue along the same road that this year's team traveled. If they do, then we will have excellent varsity teams in the years to come.

Coaches Moore and Thurston discuss a play.

"Go in and fight, boys!"

FIRST ROW: L. to R. Ronnie Lambert, Thurman Elwood, Reinhard Heberling, Mike McAllister. SECOND ROW: Mr. Middleton, Wayne Malcom, Bennett Robertson, Jim Rosencrance, Roy Wilber, Pat Dolbey, Bruce Mason, Bicky Mezick, Brian Robertson, Mr. Sarbanes. THIRD ROW: Ricky Chatham, Gerry Ellis, Harry Hayman, Henry Hanna, David Pope, Alan Betts.

## SOCCER

Wi-Hi's booters under the able tutelage of Coaches Middleton and Sarbanes compiled an 8-2 won-lost record over the season. This was a tremendous improvement over last year.

The team knocked such notable soccer opponents as Snow Hill, Pittsville, Mardela, and Stephen Decatur.

The Team may have had an unfair advantage, though. They had outside help in the form of Reinhard Heberling, our foreign exchange student.

With or without outside help, it was good to see the booters compile such a good record.

And this, boys, is a soccer ball.

Reinhard Heberling, one of Germany's finest.

Hold the game, I've got a stone in my shoe.

Where are our opponents?

Some last minute advice.

Boy it's hot!

## HOCKEY

Wi-Hi's 1963-1964 hockey team, coached by Mrs. Thomas, ended its twelfth season by setting a new record of 3 wins, 2 losses, and 2 ties.

The squaws knocked the lid off the season by defeating Mardela 6-0 and Easton 3-2. The other victory was at the expense of Mardela 4-0 during another home tiff. The real upset of the year was the final defeat of Easton after six years of competition.

The offensive players were Mary Moore, Margaret Bounds, Nancy Rosencrance -- captain, Dottie Yeatman, and Peggy Tilghman. Not to be over-looked are the defensive players -- Kathy Moore, Leslye Givarz, Bev Perdue, Barbara Franey, Lynn Robertson, and goalie Sue Oursler.

The 1963-64 team's farewell for the up and coming 64-65 team is that they have even a larger number in their winning column.

FIRST ROW: L. to R. Nancy Bundie, Bev Perdue, Kathy Moore, Leslye Givarz, Nancy Rosencrance, Barbara Franey, Debbie Stephens, Brenda Oliphant, Christine Shockley, Jo Buller, Sue Oursler. SECOND ROW: Sherry Baker, Dottie Yeatman, Cindy Mumford, Margaret Bounds, Mary Moore, Peggy Tilghman, Lynn Robertson, Trudy Mitchell, Eleanor Le Viness, Linda Malone, Mrs. Thomas.

FIRST ROW: L. to R. Paige Disheroon, Nancy Rosencrance, Ros Henry, Bev Perdue, Jo Buller, Linda Mohn. SECOND ROW: Cindy Mumford, Peggy Tilghman, Sally George, Terry Richardson, Margaret Bounds. THIRD ROW: Mrs. Gruber, Sandy Maul, Carol Phillips, Linda Cooper, Olivia Russell. FOURTH ROW: Janet Jones, Pat Culp, Lorraine Larmore, managers.

## GIRLS' BASKETBALL

Sportsmanship, teamwork, and skill were the guidewords and framework of the 1964 Basketball Season. Mrs. Gruber coached the squaws to 4 wins and 8 losses. The real upset of the year was the surprise rally in the final quarter to beat the Cambridge High Raiders 36 to 30.

Ros Henry and Bev Perdue, co-captains of this year's team, along with Paige Disharoon, Jo Buller, and Nancy Rosencrance participated in their final game for the "Blue and Gold."

The biggest moral victory was taking the wind out of the Bennett Clippers' sails 29 to 8.

The team sincerely regrets the departure of their New Zealand teammate Ros Henry and is looking forward to a most successful season in '65.

Our New Zealand teammate.

Bev plays can-can girl.

Hey, I haven't seen him before !

## VARSITY BASKETBALL

On December 10 Wi Hi's cagers journeyed apprehensively to Denton to do battle with North Carolina Bulldogs. With thoughts still lingering from the previous season, the Indians determined to show what they could do, thoroughly trounced the Bulldogs.

The tribe continued their winning ways by knocking over such notable opponents as Easton, Crisfield, and Dover. They kept sailing smoothly until the Buccaneers from Milford came and took the wind out of their sails.

After their disastrous defeat at the hands of Milford, the Wi Hi hoopsters went on to compile a record of fourteen wins and four losses despite a seemingly endless list of injuries.

At the close of the season the cagers went down in defeat at the hands of Mace's Lane during the District 5 tournament. Therefore, they lost the right to play in Cole Field House at College Park.

We must note, however, that the tribe was playing for the first time under Head Coach Anthony Sarbanes this year. We feel that he did an excellent job and we're looking forward to seeing what he'll have in store for next year.

Jerry checks out the cheerleaders.

FIRST ROW: R. to L. Coach Urse, Ed Coulston, Phil Long, Pat Durkin, Carroll Shockley, Morey Fields, J. C. Allen, Bunky Berry. SECOND ROW: Don Harris, manager, Bill Dennis, Vernon Brittingham, Richard Lowry, Kenny Bell, Ray Heller, Burnley Wilder, Mickey Dunlap, Bruce Bozman.

The J. V. Basketball team was one of the three Wi-Hi teams which went undefeated this year. Coach James Urse's boys posted a 14-0 record over the season.

This year's J.V. team will provide a lot of sound material for next year's varsity. With this in mind, Varsity Coach Anthony Sarbanes looks forward to another successful year of basketball at Wi-Hi.

## JUNIOR VARSITY BASKETBALL

Coach Urse gives his boys some words of encouragement as "chief" Riall watches.

Carroll Shockley shoots a foul during the win over North Caroline.

FIRST ROW: L. to R., Tony Marx. SECOND ROW: Coach Craige, Ronnie Lambertson, Dicky Crockett, Richard Dryden, Wilfred Jester, Ed Jerman, Danny McBride, Jim Harris, Ralph McIntyre, Bruce Mason. THIRD ROW: Wilmer Elliott, Andy Walter, Kenny Davis, Bruce Gilmore, David Hudson, Wayne Evans, John McKenzie, Bill Smith, Bill Durborow, Jaime George, Don Fitzgerald. FOURTH ROW: Bruce Ruark, Murph McLaughlin, Mike McAllister, Jerry Abbott, Roy Wilber, Harry Hayman, Hank Oakley, Richard Lowry, Bob Thornton, Tom Wertz, Tom White.

## TRACK

Two new records were inked this year by Wi-Hi thinclads. Wilmer Elliott broke the established shot put record with a heave of 45' 7" against Washington High from Princess Anne. The other new record was set by Richard Lowry. He ran the 220 faster just about every time he went out. Lowry ran his best time of 21.8 against the cross-town rival, Salisbury High.

The trackmen ended their season with a record of one win and three losses in dual meets and fifth place finishes in the Milford and Seaford Invitionals.

The Indians also finished fourth in the annual District #5 track meet held at Salisbury High this year. By placing in the top four spots in their respective events at the District Meet, eight Indians qualified to go to the State Meet at Overlea.

## CROSS-COUNTRY

This year marked the inauguration of a new sport at Wi-Hi. Cross-country was conceived with the idea of having some way for basketball players and wrestlers to get in shape before their respective seasons.

While the football and soccer teams worked out on their fields of battle, the cross-country boys meandered around the 2.5 mile circuit in hopes of developing themselves for the ensuing seasons of wrestling and basketball.

FIRST ROW: L. to R., Ray Collingsworth, Tony Marx, Richard Dryden, Bruce Disharoon, Bill Gore, Jimmy Dayton, Al Hastings, Coach Craige. SECOND ROW: Rusty Cropper, Bill Gibbons, Kim Betts, Chris Christensen, Jaime George, Joe Manzione, Tony Giordano.

FIRST ROW: L. to R. Jack Layton, Ray Cormier, Bruce Green, Marty Dwyer, Frank Zlock, Wayne Perdue, Mike Merrill, E. J. Bothards, Ed Rice. SECOND ROW: Kim Betts, Bill Childress, Ronnie Lambert, Bruce Disharoon, Skip Savage, Danny McBriety, Nick Cammarotta. THIRD ROW: Jim Parsons, John McKenzie, Ronnie Dailey, Bob Thornton, Andy Walters, Frank Schimberg, Paul Elliott, Dallas Lewis, Jim Rosencrance, Bob Morris.

## GYMNASTICS

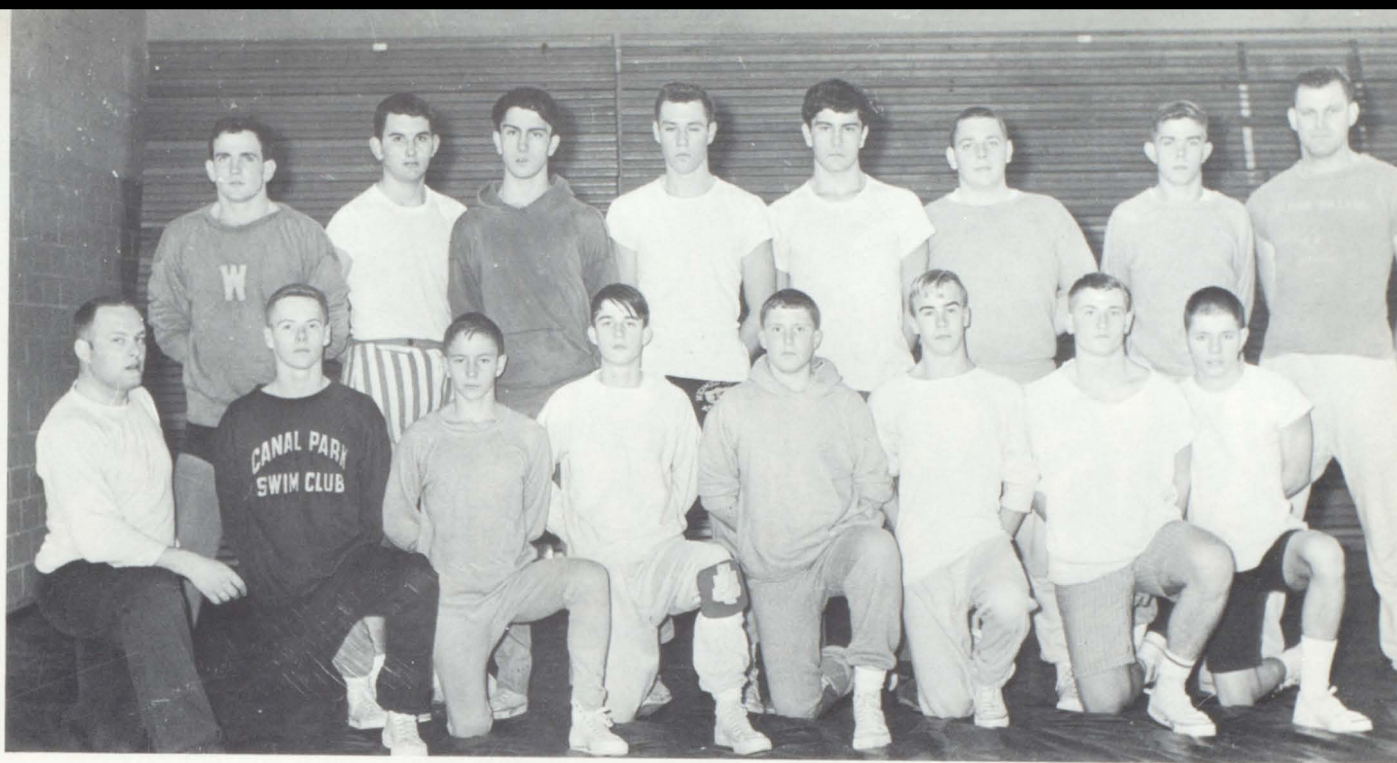

Although Wi-Hi's gymnastic teams did not participate in any competitive meets they distinguished themselves in many exhibitions.

We can look forward to a highly successful and competitive season next year. Graduation of five seniors, Marty Dwyer, Dallas Lewis, Mike Merrill, and Ed Rice, will leave a noticeable gap in the gymnastic squad; but we are sure that the team, under the capable leadership of Coach Denver Knapp, will fill this gap.

BOTTOM: Brenda Jones. MIDDLE L. to R. : Margaret Bounds, Linda Hastings, Dottie Yeatman. TOP: Darlene Adkins, Tina White.

FIRST ROW: L. to R. , Mr. Craige, Kim Betts, Richard Dryden, Bill Gore, Jim Dayton, Al Hastings, Wayne Evans, Barry Horseman. SECOND ROW: John Davis, Boyd McLernon, Bill Davis, Charles Fields, Claude Davis, Craig Allen, Steve Bickell, Mr. Seese.

## WRESTLING

Early in the afternoon on November 15, a large group of anxious boys came out to start formal training for wrestling. After a few hours of arduous work, many became discouraged. The ones who remained, however, stuck it out and formed one of the finest wrestling teams in the history of Wi-Hi.

All of the boys lost a lot of blood, sweat, and tears, but it was worth it. Each winner found his effort wasn't wasted, because winning a wrestling match is a very satisfying experience. His victory proved to himself and everyone else that he was a better man than the guy who faced him on the mat.

The grapplers compiled a 9-1 record, losing only to Woodrow Wilson High, one of the best wrestling schools in Pennsylvania. We feel that they have had a season worthy of note and offer our heartiest congratulations to Coaches Craige and Seese and the entire wrestling team.

The graduating seniors, Chip Dudderar, Don Atkinson, and Ken Wilson, and Coach Craige.

FIRST ROW: L. to R. Ellen Banks, Elaine Davis, Jo Buller, Sue Oursler, Kathy Moore, Sherry Downes, Jean Rowbottom, Dinah Lawry. SECOND ROW: Sandra Eure, Miriam Adkins, Mickey Thawley, Cindy Mumford, Mary Chames, Trudy Mitchell, Anna Kondziola, Mary Jo Dubsky, Lynn Massa, Emily Smith. THIRD ROW: Nancy Robertson, Barbara Smith, Judy Mitchell, Betsy Jarrett, Anna Mohr, Mrs. Thomas.

## SOFTBALL

As the end of the Class of 64's reign as Seniors rolled to its completion, the softball team exerted all of its tireless efforts to make the final girls' sport successful. Mrs. Thomas coached the 63-64 girls' softball team to an even-up victory with 5 wins and 5 losses.

The games were won at the expense of Delmar, Stephen Decatur, Pocomoke, Crisfield, and Laurel. The pitching duties were handled by Anna Kondziola. Recognized for the defensive outstanding performances were -- Sue Oursler, Kathy Moore, Dinah Lawry, Sherry Downes.

Ellen Banks, Elaine Davis, Jo Buller, Sue Oursler -- co-captain, Kathy Moore -- co-captain, Dinah Lawry, Jean Rowbottom, and Sherry Downes, as seniors, leave next year's team looking forward to a most successful season.

Ha! Ha! She's out.

Don't just stand there, do something!

FIRST ROW: L. to R. , Coach Sarbanes, Nick Cammarota, Nick Nichols, J. C. Taylor, Burnley Wilder, Chris Christensen, K. C. Caldabaugh, Tom Kilmon, Winn Booth, Leslie Murray, Bob Logan, Pat Durkin, Jim Dayton, John Cambardella, Jack Tolley, Bill Gore.

## GOLF

Wi Hi continued its domination of the high school links on the shore this year by posting a record of eight wins and no losses. The combining of this season's eight wins with last year's undefeated season pushed the golfers' win skein to fourteen in a row.

The Indians also copped low individual and team honors at the District #5 Tournament at Winter Quarters, Pocomoke. Chris Christensen became the District #5 Champion by shooting a 76 at Winter Quarters. Other members of the tribe's winning team and their scores were Winn Booth -- 77, K. C. Caldabaugh -- 80, and Les Murray -- 85.

Let's hope that head golf coach Anthony Sarbanes can get next year's team to continue their winning ways and become repeat District #5 Champions.

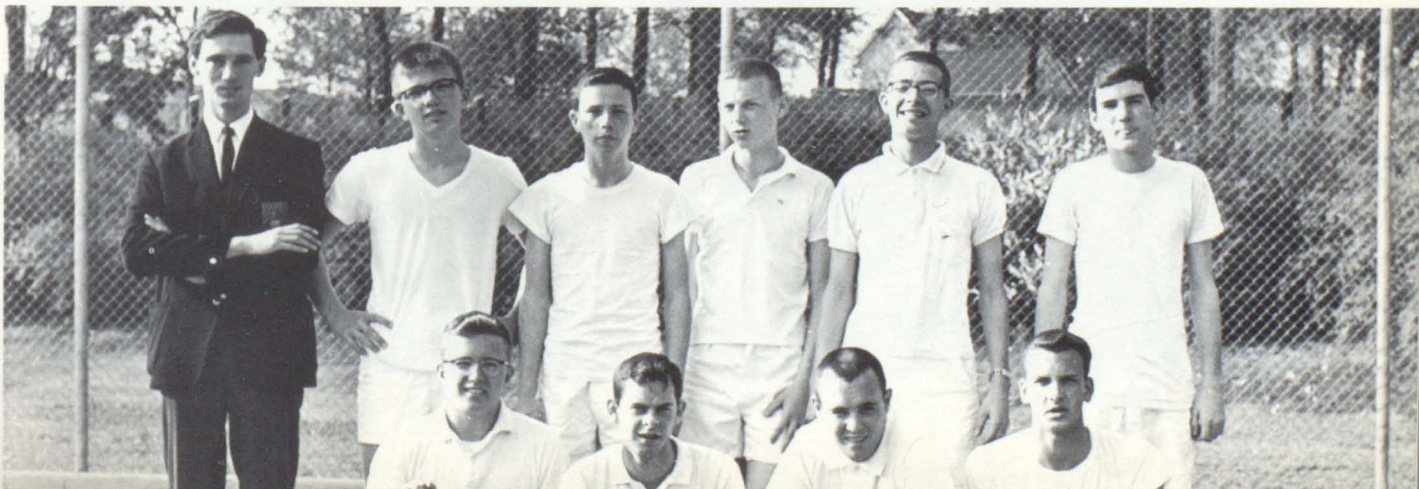

## TENNIS

Wi Hi's netmen, under the able leadership of Coach Peter Fryer, one of England's finest, put together a winning record of six wins and four losses.

This marked the first season of coaching at Wi Hi for Mr. Fryer, and it was indeed a successful one as the record indicated. The team had dual victories over Wicomico Junior High and J. M. Bennett. Their losses came at the hands of such notable opponents as the Naval Academy Plebes, Saint Andrews Prep School, and Cambridge High School.

Since the nucleus of the team is returning and some good players are coming up from Wicomico Junior High, it is probable that we will have as good or better a season in tennis next year.

FIRST ROW: L. to R. , Ricky Young, Bob Stevenson, H. Brewington, Jerry Forespring. SECOND ROW: Mr. Fryer, Bill Dennis, Bill Ward, Bill Holloway, Tom Bradshaw, John Walsh.

FIRST ROW: L. to R. , Sam Boulton, Ralph Shockley, Danny Scholl, John Riggins, J. C. Allen, Bunk Berry, Mike Pich, Mike Hoch. SECOND ROW: Hugh Renshaw, A. B. Hall, Gene Andrews, Ray Heller, Bruce Bozman, Phil Briggs, Mike Ennis, Bob Lawrence, Dave Propper, Ken Wilson.

## BASEBALL

On May 26 Wi Hi's baseball team ended its season with a record of twelve wins and no losses. Their final game against Salisbury High extended their winning streak to twenty consecutive games.

Wi Hi hurlers gave up a scant ten runs on only thirty-three hits while Indian batters battered opposing pitchers for one hundred and one runs on one hundred and thirteen hits. On four occasions the tribe scored runs in the double figure -- that's one out of every three games played.

Not to be overlooked is the fact that Indian pitchers combined their efforts for two no-hitters, against Mardela and Cambridge, and one one-hitter, at the expense of Cambridge.

With a record like that, it would seem that Coach Denver Knapp could sit back and rest on his laurels. We all know, however, that he will be in there next year trying to make it forty in a row.

Our congratulations to the baseball team and Coach Denver Knapp.

Sprinting to make first base.

One, two, cha-cha-cha!

## IN CONCLUSION

"For us Seniors, graduation is the climax of twelve years of basic education. Two-thirds of our lives have been spent as school children, but starting now we will be school children no longer. All the experiences of our school days will be only memories. Suddenly, we realize that we are not immune to the passage of time and that a good part of youth is already behind us. Because of this we are sad.

We also see that the better part of life lies ahead, and we have finally realized that we will become adults. It is for the future we have been prepared in school. Because we have been well trained we are confident about our lives as adults and we are eager to begin.

To our teachers and instructors we owe a great debt which, for the present can only be repayed with our deepest gratitude. In the future we shall repay our debt by utilizing the knowledge which has been given us by expanding it and by passing it on to others.

To you teachers we are only one class among many, but to us you are the only high school teachers we will ever have. We leave Wi Hi with a wish for the future: that you remember us in a special way, for we shall never forget you."

## ALMA MATER

Dreaming of Alma Mater,

Down on the Eastern Shore,

Dreaming of pals and friendships,

Memories forevermore.

Deep in my heart there's a longing,

Just for the sight of you;

I know you're always waiting,

I know you're always true.

Alma Mater, Alma Mater, I love you,

Paradise forever lies 'neath skies of blue.

In the sunshine or in shadow ever new,

Alma Mater, Alma Mater, I love you.
